

Dear Friend of Lassiter Soccer,

Thank you for your interest in the Lassiter Soccer Program. Participation from community business owners like you is vital to the success of our girls and boys soccer programs. It is a great way to promote your business and support local student athletes. The members of the Lassiter Soccer community patronize local businesses in the Lassiter area every day. They appreciate and show support for the businesses that sponsor Lassiter Athletics.

In the 2020 – 2021 school year, Lassiter High School will have over 75 devoted young men and women in its soccer program. Continued support from our sponsors enriches the experience these students have as members of the Lassiter Trojan soccer teams. Being a part of team sports will teach our athletes lessons beyond the field by promoting responsible social behaviors and academic success, confidence in one's physical abilities, an appreciation of personal health and fitness, and strong social bonds with individuals and institutions.

This letter provides general information about Lassiter High School, the Athletic Programs, an overview of Sponsor Benefits and the various sponsorship opportunities available with the Lassiter Trojans. Any level of participation is appreciated and goes to make Lassiter High School a better place for the whole community.

Please do not hesitate to contact any Trojan Soccer Booster Club officer at LassiterSoccer@yahoo.com to learn more about the opportunities available or to partner with Lassiter Soccer.

Sincerely,

David Penny

Q & A - Where does the money come from and where does it go?

Q – Does Lassiter High School Athletics receive funding from Cobb County?

A – No, all funds are raised through LHS Booster Clubs, fundraising, player dues, concession sales and Community Business.

Q – Can athletes be excluded from playing on a team if they are unable to pay the required participation fees?

A – Every student has the right to play, regardless of their ability to pay the fee. That is one of the reasons Lassiter relies on its sponsors and fundraising efforts, to make sure that all students who want to participate can.

Q – Does it really cost that much to operate a team?

A – Yes, various expenses associated with running a sports team include uniforms, equipment, field expenses, coaches' bonuses, transportation, security, EMS at events, sports trainers, officials, special training, meals, etc.
